

THE VENGE VINEYARDS STORY

EXPERIENCE

Three generations of purveying, farming, and producing fine wine. Nearly a half-century of family-owned winegrowing in the Napa Valley.

PEDIGREE

Over 20 acres of Estate grown vineyards, plus 11 ultra-premium, micro-acreage sites throughout the Napa Valley from which we farm fruit.

QUALITY

Decades of dedication to sustainable and dry-farming methods, combined with progressive winemaking practices, results in wine of stature and resiliency.

DIVERSITY

Experimental vibrancy results in a multiplicity of limited-production offerings, spanning multiple price points and varietals.

NOTORIETY

Recognition began with legendary winemaker, Nils Venge, who passed the dynasty on to son, Kirk Venge, profiled by Food & Wine magazine as “One of 26 Winemakers—the Scions of Great Wine Dynasties from Around The World—to Watch.”
