The Orchard Lane winery lies down a long quiet lane in the heart of the Marlborough wine growing region.

In an area once surrounded by apple orchards only one gnarled row remains, providing fresh apples to our winemakers over harvest.

TASTING NOTES:

Sourced from our 'home block' vineyards in Rapaura, the Orchard Lane 2018 Sauvignon Blanc has lifted tropical fruit and passionfruit aromas with delicate citrus notes.

The palate is full and rounded, ripe fruit sweetness is well countered with a delicate streamlined acidity giving a beautifully balanced wine.

At it's best now to 2021
